

We are happy to report that in Phase III we are allowed to teach contact private and semiprivate swim lessons and Waterbaby classes. **"Swimming lessons that require contact are allowed in Phase III, Step 1. Prolonged close contact should be minimized to the extent it is possible and safe to do so."**

Additionally, **"Face coverings should be worn by patrons and staff in accordance with Covid-19 Order31: Order Requiring Face Coverings in Public Places Where Social Distancing is Not Possible to prevent against the transmission of COVID-19 while at the facility."**

We are not able to teach our 4:1 ratio group lessons at this time.

### **Weekday & Weekend Lesson Options**

- **private or semiprivate lessons** - for children who can swim independently; focus is on stroke development/technique and endurance (private \$40/class, semiprivate \$60/class)
- **private or semiprivate lessons** - for children who cannot swim independently; focus is on back-floating, treading and forward/backward propulsion (private \$40/class; semiprivate \$60/class)
- **waterbabies/tots** - socially distanced group class, maximum of 5 parent/child pairs; focus is on water comfort, back-floating and forward/backward propulsion (\$20/class, weekends only)

### **Pool Safety Protocol**

- If you are not feeling well, do not come to the club
- Bring your own towel (there will be no towel service for the time being)
- Face masks are required by everyone on the pool deck, except when in the pool
- Enter through the front parking lot door
- Pool chairs are spaced 6' apart for adequate social distancing
- Locker rooms will be open for use of toilets and showers only
- Extra hand sanitizer and disinfectant stations are set up around the pool
- Common areas and high contact surfaces will be disinfected regularly with EPA-compliant products
